Good to know

- 'Hopper' stands for 'Hop Picker', because the range is inspired by hop gardens, harvests and beer fests.
- The legs (for the benches) are cut out of an aluminium or metal sheet nearly without any loss of material.
- Hopper combo AA allows you to add more seating comfort with Captain's chairs, and allows kids in a kids chair or people in a wheelchair to join the company.

Maintenance

POWDER COATED PARTS

- White powder coating obviously requires more maintenance.

SUNBRELLA

- Shake or brush off loose dirt immediately.
- Spray Extremis Multi Cleaner.
- Use a soft brush and make circular movements.
- Let the suds soak in for a moment.
- Rinse thoroughly to remove all soap residue.
- Simply allow to dry.
- It's also possible to put the blanket and the pillow covers in a washing machine (max 40°C). Follow the cleaning instruction on the label.
- If the cushion has metal brackets, we recommend turning the cover inside out first to avoid damaging the washing machine. In this case, leave the zipper open about 10 cm.

Important

- Use our packaging material for better support to attach the legs to the tabletop.
 1. Leave the box on the pallet.
 2. Remove the lid of the box.
 3. Take the legs out of the box.
 4. Put the lid back on the box.
 5. Put the tabletop on top of the box.
 6. Assemble the Hopper combo.
